

## Good Sense Crusair

Air freshener and odour neutraliser – Instant action

# O1c

### Description

Our Good Sense aerosol sprays have been specially developed to solve the day to day odour problems in a building. Through instant action, they have been tested to meet the highest air control expectations of all commercial, industrial and institutional users. Easy, convenient and safe to use, Good Sense aerosol sprays are the ideal solution to effectively solve odour problems in areas such as public areas, bars, hotel bedrooms, restaurants, offices, washrooms, etc.

**Good Sense Crusair:** Fresh menthol and eucalyptus notes rest on a floral heart with a touch of peppermint and watery accords resting on a musky base. For a refreshing splash !

### Key properties

- Free of ChloroFluoroCarbons (CFC)
- Choice of five different fragrances
- Highly perfume concentration

### Benefits

- Does not mask malodours but chemically destroys them to enhance the perception of the fragrance
- Safer for the environment
- Ideal to select the right ambiance in the right place at the right moment
- Very economical. Due to the high concentration on perfume, does not require long sprays

### Use instructions

All Good Sense aerosol sprays are ready to use and provide instant action. Shake well before each use and spray upwards towards the centre of the room.

### Technical data

- Appearance: Opaque labelled aerosol can + spray cap
- Density at 20°C: 0.796

These figures are typical values and should not be interpreted as specifications

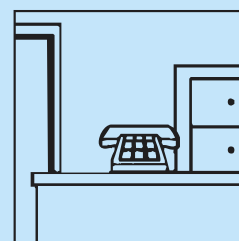

### Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet.

Only for professional users / specialists

### Environmental information

The surfactants used on this product are biodegradable in compliance with the requirement of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.
